

**Promoting Equality
Through Partnership**

UNDERSTANDING YOUR EQUALITY NEEDS

We need your help to shape and influence services and to ensure that service providers continue to provide services that are accessible by all. Your feedback will help us to do this.

Please support us by following the link below and completing our survey. It is important that we understand your equality needs.

If you prefer a paper copy, or a large print copy then please ring us on 01788 863117 and we will happily get copies to you. If you require a member of the EQUiP team to discuss this survey with you, please contact us and we will be happy to assist.
