What is the Equality Network?

Equality

Network

The Equality Network is a platform for raising equality issues in Warwickshire. You can raise an equality issue as an organisation or as an individual.

As an organisation you may come across re-occurring equality issues that affect your service users / clients. As an individual you could experience something which you may feel that you were not treated in a fair and just manner. These issues may be (but not restricted to) in the following areas;

Adult Social Care Health inequalities Mental Health Dementia Safeguarding Prevent Hate Crime Criminal Justice Violence against women and girls **Fuel Poverty Use of Foodbanks Welfare Rights**
