Promoting Equality Through Partnership

EQuIP offers free, impartial and confidential advice and support for those facing discrimination based on the 9 protected groups under the Equality Act 2010.

We cover discrimination in:

If you have been the victim of or a witness of Hate Crime, there's always something you can do about it. If you make a report to EQuIP, we can give you the advice and support you need.

EQuIP works across Warwickshire

EQuIP works with communities and organisations across the whole of Warwickshire. We specialise in engagement with diverse groups, whatever their size, championing equality, diversity and inclusion.

We undertake regular Equality Surveys to see what matters to you, run the Warwickshire Equality Network in the public and voluntary sector supporting and influencing decision-makers on matters of equality and diversity and fairness for all.

Casework

Did you know our Casework Service is free and confidential and is a quality service supporting individuals and groups. We are members of the national Advice UK Network
